Lodi, California

RESOLUTION NO. 988

WHEREAS, in accordance with proceedings heretofore had before the City Planning Commission and before this City Council, as will more particularly appear by reference to the minutes of this City Council for February 6, 1939 (Page 92, Vol. 6 Records of the City Council) due publication of a "Notice of Public Hearing" in the matter of the proposed re-zoning and re-classification of certain lands lying between the west line of Hutchins Street and a line one hundred fifty (150) feet westerly therefrom and extending from Lockeford Street to Lodi Avenue was had in the "Lodi News-Sentinel" as is evidenced by the affidavit of D. B. Rinfret, the principal clerk of said Lodi News-Sentinel, which notice, among other things, and in accordance with the direction of this City Council, stated that Objections to said re-zoning and re-classification would be heard before this City Council at the hour of 8:00 o'clock P.M. of Monday, February 20, 1939 in the Council Chambers, City Hall, Lodi, California, and,

WHEREAS, this being the day, hour and place so set for said hearing and the matter coming on to be heard and there being no objections written or otherwise filed with the Clerk of this Council and no persons appearing to be heard, now therefore,

BE IT RESOLVED, that this City Council finds that due publication of said "Notice of Public Hearing" was had in time, form and manner as required by law and the order of this City Council; that at the date and hour set for hearing, no objections to said re-zoning and re-classification were received and that, therefore, this City Council now has jurisdiction to rezone and re-classify all that real property and improvements thereon lying between the west line of Hutchins Street and a line 150 feet westerly therefrom and parallel thereto and extending from Lockeford Street to Lodi Avenue by removing the same from its present classification in the "One and Two Family Residence District Zone" to the "Multi Family Residence District Zone" by ordinance.
